

# SVG Module: Resizing Images

## Table of contents

1 Resizing Images..... 2

## 1 Resizing Images

To resize an image, append the following request parameters to the image URL:

- lenya.module=svg
- width=...
- height=...

For example:

```
/default/authoring/myimage.jpg?lenya.module=svg&width=100&height=150
```
