## 1. Old News Items

These are items that have aged off the home page

Signup for [HBase User Group Meeting, HUG10](#) hosted by Trend Micro, April 19th, 2010

[HBase User Group Meeting, HUG9](#) hosted by Mozilla, March 10th, 2010

Sign up for the [HBase User Group Meeting, HUG8](#), January 27th, 2010 at StumbleUpon in SF

September 8th, 2010: HBase 0.20.0 is faster, stronger, slimmer, and sweeter tasting than any previous HBase release. Get it off the [Releases](#) page.

[ApacheCon](#) in Oakland: November 2-6th, 2009:

The Apache Foundation will be celebrating its 10th anniversary in beautiful Oakland by the Bay. Lots of good talks and meetups including an HBase presentation by a couple of the lads.

HBase at Hadoop World in NYC: October 2nd, 2009: A few of us will be talking on Practical HBase out east at [Hadoop World: NYC](#).

HUG7 and HBase Hackathon: August 7th-9th, 2009 at StumbleUpon in SF: Sign up for the [HBase User Group Meeting, HUG7](#) or for the [Hackathon](#) or for both (all are welcome!).

June, 2009 -- HBase at HadoopSummit2009 and at NOSQL: See the [presentations](#)

March 3rd, 2009 -- HUG6: [HBase User Group 6](#)

January 30th, 2009 -- LA Hbackathon: [HBase January Hackathon Los Angeles](#) at [Streamy](#) in Manhattan Beach
