1 mod_perl Tutorials and Presentations

1.1 Description

Over the years, mod_perl talks have been held at several conferences about Perl, Apache or Open Source. Many of those giving talks put some information online, and you can learn a lot from that.

If you know of any other mod_perl tutorials and presentations not listed on this page please let us know at the users mailing list.

1.2 Tutorials and Presentations

- Geoffrey Young gives several wonderful tutorials every year, if you haven't been to his talks you definitely should. He has put his materials online at: http://www.modperlcookbook.org/~geoff/slides/

- *Industrial Strength Publishing*, by Ian Callen, Salon.com. http://www.salon-mag.com/contact/staff/idk/print.html. Talk held at the O'Reilly Open Source Software Convention in Monterery, California on 07/20/2000.

- *Introduction to mod_perl* by Nathan Torkington. http://prometheus.frii.com/~gnat/mod_perl/ (PPT and PDF formats).

- Stas Bekman has put all his talks online: http://stason.org/talks/

- *Real World Performance Tuning for mod_perl* by Ask Bjørn Hansen. http://develooper.com/modperl/ (held at The Perl Conference 5, San Diego, July 2001).

- Eric Cholet has a collection of talks he has given at http://www.logilune.com/eric/

- Thomas Klausner gave a tutorial titled "Web Application Development using mod_perl and CPAN" at the German Perl Workshop 2003.

  The slides (in German) are available from here: http://domm.zsi.at/talks/modperl_pws2003/

- Mike Fletcher has two introductory talks on mod_perl: http://phydeaux.org/perl/yapc/ and http://phydeaux.org/perl/mptalk/ .

- Michael Parker's 1998 talk on Performance Tuning: http://www.perl.org/oscon/1998/Perl_and_Apache/Performance%20Tuning/

```
META: Move this to Conferences part if we make one. Would be nice to be
able to have a standard presentation format to put them all online.
