# ApacheCon Europe 2005 Speaker Agreement

This letter is an agreement between **Ken Coar** ("Speaker") and **Software & Support Verlag** ("S&SV") for services to be rendered by Speaker as an instructor at the ApacheCon Europe 2005 conference being held 18-22 July 2005 at the Haus der Wirtschaft in Stuttgart, Germany.

## Speaker Commitments

Speaker agrees to prepare and present technical content and instruction at the conference as described in the following sections.

## Notes and Handouts

'Notes' are the presentation aids, such as slides or viewgraphs, which are used during a *session* presentation. 'Handouts' are prose documents used for *tutorials* containing the content of the presentation as opposed to an outline; they need to be sufficiently detailed that a non-attendee can get almost as much out of the handout as he/she would if he/she had attended the presentation.

Speaker will prepare a copy of the presentation notes and handout and provide them to S&SV according to the deadlines described below.

Notes and handouts will **only** be accepted in Microsoft PowerPoint or Adobe PDF formats. If you cannot meet the deadline for the materials, please contact [planners@ApacheCon.Com](mailto:planners@ApacheCon.Com). Due to the technical nature of the conference, materials are required from every speaker in order to assure that all delegates receive them and can get the most from the presentations.

If you cannot submit your materials in one or both of the formats described above, please contact [planners@ApacheCon.Com](mailto:planners@ApacheCon.Com) in order to discuss a possible exception.

It is recommended that handouts be produced with as simple a visual layout as possible, with dark **large** type on a white or light-coloured background. This will ensure that the content of your slides will be visible from the back of the room, and that they will reproduce onto paper in an acceptable way. The conference proceedings and all 'handouts' are being reproduced for the conference on CDROM.

Please include any white papers, tools, bibliographies, links, or other materials that you think may be pertinent or add value to your presentation; they will be included on the conference CD-ROM if practicable. This ancillary material may be in whatever format you desire; it is not limited to PowerPoint or PDF.

## Scheduled Keynotes:

DE1368     Test: Keynote

S&SV will pay Speaker the sum of **US\$ 1000** per keynote delivered.

Tutorial notes and handouts must be received by S&SV by: **Wednesday, 22 June 2005**. S&SV will pay the speaker 500 USD per half-day tutorial, i.e., 1000 USD for a full-day tutorial.

## Scheduled Sessions:

- DE1318 Opening Plenary  
(30 minutes on Wed at 08:30:00)
- DE1335 Closing Session

Session notes and handouts must be received by S&SV by: Monday, 23 May 2005.

## S&SV Commitments

S&SV will arrange for and provide the necessary power, network, and audio/visual support for presentations. This support will consist of: one (1) lapel microphone; one (1) LCD projector and screen; and a basic sound system. Speakers are responsible for providing their own computers to drive the projector. Any additional audio/visual equipment must be requested *in writing* by Sunday, 15 May 2005. S&SV will make a best-effort attempt to comply with special requests, but cannot guarantee success. The cost of these special-request items will be charged against the revenues from tutorial registrations when calculating tutorial profits.

## Payment

S&SV will compensate Speaker according to the amounts and schedules described above; these amounts constitute the speaking fee. In addition, S&SV will:

1. prepay for reasonable coach airfare **if booked with the conference travel agent by 3 May 2005**;
2. prepay 7 nights' hotel room plus tax (unless otherwise arranged);
3. provide Speaker with meals for each day on which he is at the conference;
4. reimburse Speaker, upon presentation of receipts, for reasonable expenses for ground travel between the airport and the Stuttgart host hotel and back (such as taxi fares and tips); and
5. waive Speaker's conference registration fee.

The number of hotel nights covered is calculated from the number of presentation sessions, plus one. For a half-day tutorial session two nights are covered and for a full-day tutorial session three nights are covered. The maximum number of nights covered is six.

S&SV will pay expenses and fees for **ONE** speaker *per* scheduled presentation or tutorial. Additional speakers are not covered notwithstanding any copy of this agreement executed with them. If a presentation involves multiple speakers, distribution of fees and selection of which receives the travel and lodging allowance must be decided amongst them.

If changes are made to Speaker's itinerary after travel has been booked, Speaker is solely responsible for any additional fees or costs incurred.

All contracts and paperwork must be signed and complete before payment will be issued. All payments will be made by bank transfer upon invoice. Invoice form for reimbursement will be provided by S&SV.

## Policies

By signing and returning this agreement, Speaker acknowledges that he/she has read, understood, and agrees to be bound by the policies set forth in this agreement and on the ApacheCon Web site at <URL:<http://ApacheCon.Com/html/policies.html>>.

1. The ApacheCon management reserves the right to cancel any session or tutorial, at any time and for any reason, including on-site and after the presentation has begun. If a session is cancelled, the ApacheCon management may adjust or cancel the speaking fee accordingly.
2. All presentations will be objective and vendor-neutral, and will not include any product pitches.
3. Presentations must fulfill their allotted time slot. Dismissing attendees twenty minutes early is not acceptable! Failure to fulfill an assigned time slot may result in a reduced speaking fee.
4. If notes and handouts are not received by the deadline, the ApacheCon management may adjust or cancel the speaking fee accordingly.
5. By agreeing to present, Speaker grants the Apache Software Foundation and its designated agents a perpetual, non-exclusive, irrevocable, and unencumbered licence to reproduce the presentation materials in any format, in order to make them available to conference delegates and others, for fee or *gratis*. Speaker waives all claim to any portion of any monies accruing from such distribution.
6. S&SV assumes the cost of reproducing and distributing presentation materials to delegates.

If Speaker violates or fails to comply with any of these policies, the ApacheCon management may adjust or cancel the speaking fee accordingly.

## Travel and Lodging

S&SV will prepay travel and lodging expenses as set forth in the Speaker Agreement. Details for arranging these are described below. **If you have any questions, please direct them to [speaker-travel@ApacheCon.Com](mailto:speaker-travel@ApacheCon.Com).**

Be aware of potential differences in the electrical systems; bring receptacle adapters and voltage converters if necessary.

## Travel

S&SV will be working to arrange travel for speakers. There is a bit of information we need from you to make this process easy and to provide you with that you request. To speed up the process please send your flight requests to:

**[speaker-travel@ApacheCon.Com](mailto:speaker-travel@ApacheCon.Com)**

We will go over the options and get your itinerary back to you ASAP. **Travel arrangements *must* be made before Tuesday, 3 May 2005 in order to be eligible for prepayment.**

If you would like to arrange travel yourself, you must contact S&SV as well, and provide them with your travel details (i.e., your airport/city). S&SV will provide you with information about the maximum amount that will be reimbursed.

We will be working with ticketless travel [e-tickets] wherever possible. In order to begin the process of arranging your travel, we need the following information from you:

1. Do you want us to book your airline reservation?

If your answer is 'no' then please send us a copy of your itinerary -- when you have it -- so we know when you are due to arrive and on what flights. In this case S&SV will reimburse you for the travel costs rather than prepaying it for you.

If yes, then please answer the following questions:

2. What is your full legal name as it appears on your passport?
3. Where are you flying from?
4. What are the dates and times that you want to depart and return?
5. Do you have a preferred airline?
6. What is/are your frequent flyer number(s)?
7. Do you have a seating preference?

8. Do you have special meal requirements or preferences?

*If you have someone traveling with you, please feel free to contact **[speaker-travel@apachecon.com](mailto:speaker-travel@apachecon.com)** and arrange for the second ticket to be booked at the same time.*
