

Apache Roadshow 2018 North America: Washington, D.C.

Date: Tuesday, December 4th, 2018
Website: <http://www.apachecon.com/usroadshow18/>

Overview:

One day, Two rooms, Twelve presentations, Two Keynotes
with a Career Fair!

The Apache Software Foundation is partnering with George Mason University and the Center for Assurance Research & Engineering (CARE) with the GMU Volgenau School of Engineering to host a 1-day Apache Roadshow event.

Topics include Apache & Center for Assurance Research Engineering Projects, Open Source Software in Government, CyberSecurity & Career Development. All of this is in conjunction with the first, Open Source Software Job Fair. There is NO CHARGE TO ATTEND the career fair!

The DC Roadshow will be held at the GMU Arlington Campus Founders Hall. The Call for Presentations is now open. Speakers are being sought for Keynotes, Endnotes and presentations on Open Source Software, Career Development with a career fair, Apache Projects, CARE Projects, CyberSecurity & OSS in Government presentations.

Sponsor Information:

Sponsors will be provided 6' tables with a tablecloth and 2 chairs with Wi-Fi. Power will be limited. The event schedule has several slots set aside to encourage attendees to visit our sponsors. There is no charge for job hunters to stop by to talk to sponsors!

As an inaugural and unusual event trying to blend both technical and career, we envision Sponsors sending both a technical and a recruiting resource per table! Sponsors are also encouraged to bring pop-up signage. Swag & Materials can also be provided for event bag stuffing
